Official Newsletter of the Northern Neck Chapter of The Military Officers Association

SEPT. 2010

From the President

By BGEN Frank K. Martin, USAF (Ret.)

By the time you read this column we'll be less than one month away from the official beginning of Fall and we may get a break in the record heat. In addition to the heat index setting new highs, so has the Northern Neck Chapter. Attendance at our annual picnic was one of the best turnouts we've had in months. Judging by the convivial atmosphere, it's clear that those attending thoroughly enjoyed the evening. Keeping the memory of that fresh in your minds, please make reservations ASAP for our September luncheon. This will be our annual business meeting and you'll be asked to vote on the slate of officers for 2011. The proposed slate is in this newsletter. In addition to the election of the 2011 Chapter officers, we'll be privileged to hear one of our own, CW-4 George Gallo, speaking on his special experiences as FAA Manager of Washington's Flight District on 9-11-2001. Please plan on attending.

Special thanks go to MAJ GEN Jim Harding and the nominating committee in seeking members to fill positions on your Board. It's hard work getting folks to step up and volunteer their time and talents to make this organization work. The committee has done a superb job of blending some familiar faces

with new chapter members. While we are confident we'll have an active board of directors, we still have to fill many of the specific committee positions. In that regard, if you are asked to help, please give serious consideration to being part of the 2011 effort.

A reminder: Our annual Dining Out will be on November 6, 2010, 1800 hrs at Indian Creek Yacht Club. The committee, led by COL Jack Reavill, is working hard to put together a program of good food, fun and fellowship. Please mark your calendars and watch for further information the next letter.

I'm pleased to announce that LTC Oran William, as the new AFJROTC leader at Lancaster High School, will become a part of our Chapter. We look forward to formally welcoming him as well as continuing to hear from the cadets at both Lancaster and Northumberland High Schools. We have an active Scholarship Program and welcome your contributions to the fund.

Special congratulations to our Chapter Chaplain, Brain McCabe, on his recent selection for promotion to Major in the USAF Reserves. Brain has had a wide range of experience in the Reserves and we join in wishing him continued success. Well done Chaplain!

Annual Chapter Business Meeting

The annual Chapter Business meeting will be held at 1200 hours on Tuesday, 14 September, at Rappahannock Westminster-Canterbury. After a short business meeting we are honored to have a presentation from George A Galo. His last assignment with the FAA was Manager of the Washington Flight Standards District Office, located at Dulles Airport. He held this position during the attacks on our nation on September 11, 2001. After the attacks, George and his team of Aviation experts were responsible for the FAA investigation of the aircraft that crashed into the Pentagon. This is a good opportunity to bring a friend or prospective member. Send in your reservation form and check ASAP.
